COMPLAINT FORM

FOR CHARGING DEVICES – PAGE 2

Complaint conditions:

Goods of AKKU SYS Akkumulator- und Batterietechnik Nord GmbH to be claimed will only be taken back after prior written or telephone agreement with the claims department.

Please note the following points:

- RMA number must be requested.
- Please enclose the completed complaint form and a copy of the invoice, otherwise it will not be possible to process the complaint.
- Please send back the complained commodity if possible with accessories to us.
- Mark the consignment with the RMA number clearly visible on the outside of the outer packaging.
- ATTENTION!

The return of defective goods (batteries, rechargeable batteries, rechargeable battery packs and above all lithium rechargeable batteries) must be secured against short-circuiting, the poles must be masked accordingly. Otherwise there is a risk of explosion and fire! Since 01.01.2009 there have been far-reaching changes to the shipping of lithium batteries. The guidelines UN No. 3090-3480 must be observed.

- Please refer to our General Terms and Conditions for the current warranty periods and other provisions.
- If you have any questions, please contact the AKKU SYS office service on +49 4101 37676-0 or, if the RMA number has already been assigned, Mr Martin Sader on +49 4101 37676-22.

Incoming complaints without RMA number and enclosed invoice copy cannot be processed.

Please return the goods to be complained about to the following address:
