

AKKU SYS

... und die Energie kommt!

SERVICES ALL AROUND YOUR BATTERY

INDIVIDUAL PROJECT PLANNING AND SERVICES:

With us, you get everything from one source - from standard-compliant installation and commissioning of your battery systems, backup and emergency power systems to the repair, maintenance and early fault detection of systems to protect your sensitive consumers.

Extensive electrotechnical training as well as manufacturer- and product-related training of our service technicians are the basis to meet the individual requirements of our customers and their systems.

Give us a call, we will be happy to advise you!

Phone: +49 4101 | 3 76 76-0
